

Operation Kidsafe is proud to announce:
A Fingerprint Station for Child Safety in Your Community
Opens on January 15, 2014 at 10:00am

Jenner Chevrolet-Corvette-Buick-GMC 1730 Island Hwy, Victoria, BC

Stop in with the children, grandchildren, and special needs adults, or arrange a safety field trip.

The service is **FREE** because of the kind donation and community spirit of the entire Jenner organization.

What: **FREE** Operation Kidsafe digital fingerprint and photo safety program. Specialized digital imagery equipment will now be in your area every day!

Why: Did you know over 2,000 children are reported missing every day in North America. Don't miss this opportunity to get your **FREE** Child Safety Kit, including digital fingerprints and photograph.

Where: Jenner Chevrolet-Corvette-Buick-GMC 1730 Island Hwy, Victoria, BC (250) 474-1211

When: The Jenner Team now provides:

Operation Kidsafe digital safety records every day they are open. Say a big thank you to them for becoming a national sponsor for Operation Kidsafe and offering this potentially life-saving safety program to all area families anytime they want it free of charge.

How it Works: Operation KidSafe equipment captures your child's photo and fingerprints using a digital video capture device, and specialized software. The captured data is assembled and a quality 8 1/2 x 11" printout is given to the parent. The parent can use the printout they receive to provide to law enforcement anywhere in the world to *instantly* aid in an investigation. **Safety tips are also provided to help families set up a family safety action plan.**

NOTE: **Your privacy is protected.....**No database or records of children are maintained. The only record of the visit will go home with the parent for safekeeping. You don't need to bring any information and the service is FREE. Just stop in today!
